

NEWTON FLOTMAN OIL ECONOMY GROUP

The objective of the Group is to obtain central heating oil for the members at the most economical prices.

Orders must be delivered to Darragh, Flordon Road, Newton Flotman by 6pm on the first Tuesday in the selected month. Delivery will normally take place the following week. N.B. No specific date can be given.

The oil companies will then be contacted to obtain the most advantageous price. The deliveries will be made as if the member has ordered individually. Each delivery will be accompanied by the normal delivery note/invoice. Each member is responsible for the payment of his/her own invoice.

The member's contract will be with the **SUPPLIER** and not with the **NEWTON FLOTMAN OIL ECONOMY GROUP**. The group will not handle money and will only act as a voluntary service to coordinate the central heating oil requirements of the group members and to negotiate with suppliers. This will enable suppliers to make economies in their deliveries which they, in turn, will pass on to the Members of the group.

The System will work as follows:-

- Deliveries will usually be made within a week of the order being placed (no specific day can be given).
- The selected months are:- **FEBRUARY - MAY - AUGUST - NOVEMBER**
- You will be responsible for placing your order and delivering it to Darragh, Flordon Road, Newton Flotman by 6pm on the first Tuesday of the selected month.
- You will be responsible for settling your account with the supplier and conforming to the supplier's terms and conditions. Please pay the driver cash or cheque on delivery. Other payments by telephone or post should be made to the company within 7 days.
- (N.B. There could be a 2% charge if paying by credit card)
- There is a **minimum order of 500 litres per individual delivery**. This is controlled by the Government and not by the oil companies.
- You do not have to order on each date. You can manage your oil deliveries just as you otherwise would. The only difference is that you will need to decide whether or not you need a delivery as each date approaches. Control remains with each member. You order if you want oil. If you do not order, no oil will be delivered.
- Order forms are your responsibility. They can be down loaded from the Newton Flotman Parish website or from Bob Mckibbin at bob.mckibbin@gmail.com or ring Bob on 01508 470823
