## Message from Inspector .....

This is my first newsletter having taken over as district Inspector in December 2016 and I am keen to continue the excellent work of Inspector Provart in serving your communities. My background is in local policing and more recently in custody and criminal justice. I will be working with my local beat managers to ensure that we are addressing issues that are raised within your parishes. I have already tasked activity to target speeding and anti-social behaviour, which I know are of concern in some areas.
