Message from Inspector Colbert

Welcome to your June Newsletter. I need to update you on a personnel change affecting your Parishes. I have had to review the set-up of our neighbourhood teams in light of the fact that I have lost one of my beat manager Constables to another role. Therefore in order to even up the spread of our finite resources I have had to move PC Andy Read onto another area for the time being. This move will take place on 21st June 2017. The shortage in the interim will be filled by a PCSO from another neighbouring area who will work with PCSO Darrin Sore to ensure we provide a continued service to your parishes. I will confirm the details of this on the next newsletter. I am sure you will join me in thanking Andy for his work within your parishes. I will review this situation again later in the year when we will have a small number of additional officers coming into the district.

Message from your Engagement Officer

On Thursday the **22nd June at 7pm** we will be holding an online street surgery and will be answering questions raised by residents of South Norfolk. We have arranged this type of surgery as we are aware not everyone can attend our face to face surgeries due to work and family commitments and we hope this will help with raising your concerns and issues. If you don't have any questions still join us and see what people are concerned about.

Join the live chat on the day by visiting NORFOLK.POLICE.UK or by following the link on Facebook and twitter.

My details are e-mail: squiresjr@norfolk.pnn.police.uk or call **01953 423773**

What is happening in your area

Message form your Beat Manager Pc Read

We are working hard on our neighbourhood priorities as and when time permits.

We have recently have a spate a calls on our area with regards to suspicious people who are cold calling on people trying to sell generators and power tools etc. Please continue to inform us of such activity. These people should be registered to carry out such activity. If you would like any advice then please contact use.

I would urge residents of any area to report all suspicions activity to us on 101.
