Message from Inspector Colbert

Welcome to your August Newsletter. Traditionally during the summer period we anticipate a rise in incidence of anti-social behaviour generally and I am ensuring that our beat managers and PCSO's are targeting our priority areas in relation to this accordingly. Please continue to feedback any concerns regarding this or any other issues at our regular street surgeries. As you may be aware our engagement officer PC Jim Squires and myself recently took part in an online street surgery from which we got a good response. This is part of our continuing efforts to engage fully with the communities we serve.
