Message from Inspector Andrew

I am settling into my new role and understand community concerns around speeding. We have been presenting to local communities across South Norfolk explaining that police cannot tackle this problem alone. My teams will maintain focus on 5 key locations across each beat where we believe there is greatest risk. As an organisation we must balance our response along with other operational policing requirements. I would like to offer an opportunity to members of the local community to become actively involved in supporting us in tackling speeding. You can do this by being part of community speed watch. Our engagement officer PC Jim Squires is keen to hear from anyone willing to support us in helping you. Community Speed Watch costs nothing to set up and we will train and insure its members. Last month our groups detected 44 speeding offences. If you are interested in setting up a group please let me know.

Message from your Engagement Officer

We have in the past had vehicles stolen when owners have gone out on a cold winter's morning and left the engine running to de-ice/warm the car on the drive way before they need to leave.

Do not be tempted, although it's nice to get into a warm car is it worth losing it altogether.
