

Item 11e

Taken from an email from South Norfolk Council:

Newton Flotman Parish

I wanted to contact you to see if your parish might be interested in a discount scheme we are running from next financial year, i.e. 1 April 2018.

As you know, in return for a charge of £100.00 pa for each bin, (increased to £104.00 for the next financial year) we empty your dog bins twice a week. It may be that some bins are not as well used as other and may be able to cope with a once a week emptying.

If you agree, there is a reduced annual fee of £70.00 pa rather than the usual £104.00 pa for each bin. Do let me know if you would like to take up the reduced offer – if we don't hear from you, we will assume you wish to continue with the twice a week service and invoice you at the full rate for each bin in October 2018.

If you require an additional dog bin please contact Ketteringham Depot to arrange a meeting to agree bin location. Once agreed please source and install the dog bin and contact us to commence emptying.

I hope this is helpful.

Yours sincerely

Deborah Davies
