Message from Inspector Andrew

Following recent crimes in which a number of sports and social clubs and village halls have been targeted, I would like to remind you all that should you notice anything suspicious then please let us know via 101 or if a crime is in progress then to call 999. We have made an arrest in relation to this, following which a male was charged and will be appearing in court.

On a separate note, I am looking at ways that we the Police can better engage with the local communities, so if you have any suggestions then please do not hesitate to let either myself know, or contact PC Jim Squires or your local Beat Manager.

Message from your Engagement Officer

I hope by now you are reading this and the summer has arrived and temperatures are starting to get warmer; however, don't let the weather cloud your judgement over home security and personal safety. Opportunist thieves will be on the look-out for personal property left within easy reach of open windows and unlocked doors.

Common mistakes are leaving handbags and car keys close to unlocked front or back doors, or leaving jewellery and electronic items on display near an open window.

To deter walk-in thieves, householders are advised to:

- Keep doors and windows shut and locked where possible, especially if the room/home is unoccupied.
- Lock your doors if you are spending time outside in your garden or out of view of your home.
- When answering your door, make sure other external doors are locked first.
- Keep valuables and personal property out of sight; remove from window sills, worktops and tables.

I would welcome your assistance in reporting any information that you may deem suitable, by emailing the Hethersett SNT address, calling 101 or 999 as appropriate, or by reporting anonymously via Crimestoppers.
